

# NEAREST 2<sup>nd</sup> YEAR MEETING

## Berlin, 9<sup>th</sup> and 10<sup>th</sup> October 2008

Technische Fachhochschule Berlin  
Luxemburger Strasse 10 - 13353 Berlin

### AGENDA

#### Thursday, October the 9<sup>th</sup> Morning session

09:00 – 09:15    **Participant registration**

09:15 – 09:25    **Welcome address**

*(Hans Gerber - TFH)*

09:25 – 09:45    **Introduction to the meeting and project overview**

*(N. Zitellini – ISMAR)*

**WP's state of the art and planning sessions** – Per each scientific workpackage (WP2 to WP8) an ad hoc session will be organized.

Each session will be opened by a brief report from the WP leader, outlining activities carried out during the third semester of the project, main goals achieved, deliverables produced and criticalities met (including deviations to original time schedule). Each report shall have the same structure used to prepare the written workpackage report (WPR). The WP leader may invite further speakers to illustrate specific aspects, deserving in-depth description.

The second part of each WP session will be devoted to planning the activities to be carried out - task per tasks- in the following period, and in particular in the fourth semester of the project. A proposal will be presented by the WP leader and discussed at project level, pointing out the main critical tasks to be faced. Specific problems to be put at the attention of the Steering Committee will be pointed out as well.
